

FISHBURNE SHOWS WELL AGAINST THE VARSITY

Moran Fans Sixteen of the Batsmen and Fields His Position Faultlessly—Carl Walker Allows the School-boys Only Two Hits, Shutting Them Out.

[Special to The Times-Dispatch.]
CHARLOTTESVILLE, Va., March 18.—Virginia played the second game on her schedule to-day, defeating the Fishburne Military Academy team, 6 to 0. The visiting nine proved an exceptionally strong one, and the contest was interesting from start to finish. In the line-up was "Bill" Fetter, the State Leaguer, who was given a try-out by the Philadelphia National League Club, and Moran, the Covington twirler, who made such a reputation for himself last summer with four no-hit games to his credit.

The youngster lived up to his record to-day. He fanned sixteen of the Varsity batsmen and fielded his position faultlessly. He has splendid speed and endurance, and good control. With him in the box Fishburne should have little trouble in landing the "prep" school championship this season.

The contest was a pitchers' battle. Carl Walker, Virginia's star south-

paw, was easily the master of the situation, and was not once called upon to exert himself. He fanned an even dozen and did not issue a single pass. Walker made the only hits off his delivery.

Hakeney again starred in the infield; he covers wide territory and throws accurately to the bases. Honaker made his initial appearance of the season and was given hearty applause. He entered the game late, and did not have a single fielding chance. Pickford made a superb ruling catch of a short fly. Walker led with the stick. Dabney made the cleanest hit of the game, a triple to the left field fence. Timely three-baggers were also made by Pickett and Pearson.

For Fishburne Pitzer put up a good game at bat, and ran bases in good form.

ALBEMARLE HUNT HAS GOOD GOING

Splendid Course and Plenty of Fences Negotiated in Fine Style.

[Special to The Times-Dispatch.]
CHARLOTTESVILLE, Va., March 18.—The regular Thursday drag of the Albemarle County Hunt Club was ridden this afternoon over a five-mile horseshoe course, starting near "Bloomfield," the summer home of J. T. Tamm, of Philadelphia, with a brisk finish at Ivy. The course was through a big open country, with good going and upstanding fences, twenty-two of which were negotiated. There were no falls. A goodly number of spectators were at the start and witnessed the course through four or five fields.

Roy Harnage hunted the hounds, in the absence of the master, Algernon Craven, who had as his guest to-day Ambrose Clark, a prominent turfman, who is in Virginia inspecting a lot of green hunters. Other riders were Robert Cree, whelp; Mrs. William Pitts, Miss Bertha Garth, Charles W. Hufsch, Burwell Garth, "Buck" Langhorne, William Balis, "Tim" Wise and Arthur White.

WINTER TEST PRO-PHY-TOL REFRESH THE MOUTH

SEMINARY WON.

Ball Team Beat McGuire's School, Hulcher Sawing Twelve Men.

Inability to hit at critical stages of the game was the cause of the defeat of McGuire's School yesterday afternoon at the hands of the Union Theological Seminary, by the score of 4 to 3. The school team put up a good game, making more hits and fewer errors than its opponents, but could not connect with the leather at the proper moment. Hulcher pitched great ball for McGuire's, striking out twelve men, while Oldham and McIlwaine, who twirled for the theologians, were credited with seven strike-outs between them.

If arrangements can be made in time the McGuire team will line up against the Richmond College nine this afternoon on the college diamond.

HARVARD AND NAVY HAVE NOT BROKEN

No Breach in Rowing Relations. Aquatics at Other Colleges.

Word comes from Annapolis that there is no breach in rowing relations between Harvard and the Naval Academy because of unfriendly feelings. Harvard is sending a crew to the academy this year, because this is the alternate year in which she sends her crew to Ithaca. Harvard has suggested a race on the Severn next year. It is how the report goes.

Candidates for the navy crews have settled down to active work. Sixty men started, and the squad will be increased considerably in a few days. Rockwell, captain and stroke of the varsity, and Crosby of the second eight, were the only two strong men lost by graduation last June. The chief problem that confronts Coach Glendon is the selection of a good stroke. Leighton, who played tackle on the football team, is at present filling in this seat. He is doing well and may keep the job.

Syracuse Crew Does Well.
Coach Ten Eyck says the tank work this year has put the Syracuse crew about three weeks ahead of former years. Next season, Ten Eyck will give the freshman full work in the tank and will put out an eight-oared boat on the water before the winter sets in. This will put the crews even further ahead than they are this year.

Jim Ten Eyck, Jr., has been helping to coach the men in the tank. A metronome has been added to the apparatus for indoor work. This is connected electrically with a bell that rings for the catch of the oar in the water. In this way it regulates the number of strokes a minute. The speed can be increased or decreased at will. This has been especially valuable in the case of the freshmen for developing unison.

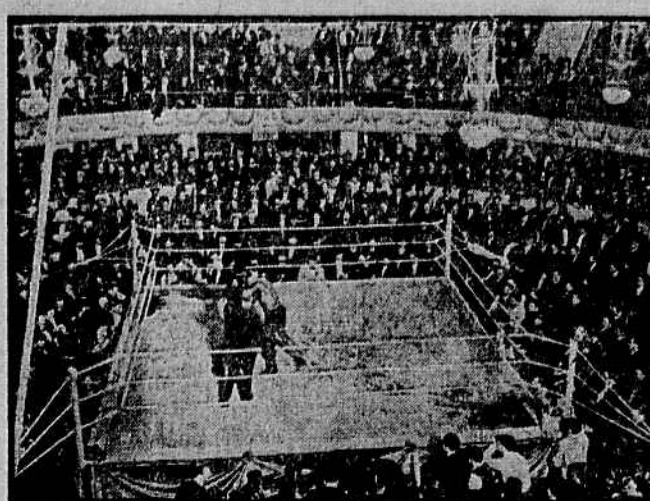

The Yale Stroke.
B. F. B. Wallis, who is expected by some to be the stroke of the Yale varsity crew for the race with Pennsylvania if not for the Harvard contest, is a Boston schoolboy. He was captain of the Yale crew last year. The following in the score: Foote, 20, vs. Bove, 16; Savage, 20, vs. Cook, 16; Blakemore, 20, vs. Savage, 16; Foote, 20, vs. Blakemore, 14.

Work at Yale.

NEW HAVEN, CONN., March 18.—Yale oarsmen and baseball squads left the gymnasium for their outdoor quarters yesterday afternoon, the baseball players working an hour in batting and fielding, although the diamond was too muddy to allow infield practice.

The new English shell was launched by the varsity eight, and a number of changes were ordered in the plans to develop a crew for the Easter vacation races against the University of Pennsylvania. The varsity rowed as follows:

JEWEL TEAMS IN EXCITING GAMES

Amethysts, Diamonds and Opals Are Winners in Basketball Contests.

Some heavy scoring was done in the Senior Basketball League contests at the Young Men's Christian Association gymnasium last night, none of the teams making less than eleven points. The results are as follows: Amethysts, 22; Emeralds, 12; Diamonds, 22; Pearls, 11; Opals, 14; Rubies, 12.

The work of Lawrence in the first game put his team well in the lead, while Stulting and Black also managed to cage several goals and swell the score. Zink and M. Thornton were the mainstays for the Emeralds, but were unable to stem the fast work of the opposing quint. This game places the Amethysts at the head of the list by a narrow margin of points. The line-up: Amethysts, Position, Emeralds, Stulting, forward, Nuckolls (captain), Black, forward, Jett, Lawrence, center, Zink, guard, M. Thornton (captain).

Field goals—Lawrence, 5; Stulting, 2; Black, 2; Zink, 2; Dodd, Nuckolls, M. Thornton. Goals from foul—Lawrence, 2; M. Thornton, 2; Jett, points awarded—Lawrence, 1.

Diamonds Had Walkover.
The Amethysts repeated the trick of the Amethysts in the second contest, they having things their own way from the blowing of the whistle until the end of the match. Van Sant was a tower of strength for the Diamonds, while Bruce did the brunt of the work for the Pearls. By winning this game the Diamonds are posted in the leaders from second place. The line-up: Diamonds, Position, Pearls, Twining, forward, Jacobs, Lewis, forward, Perkins, Van Sant, guard, Bruce (captain).

Burch, center, Coffman (captain), Green, guard, P. Thornton, forward, Sample, Charnault, guard, Sadler (Brittle).

Field goals—B. Lewis (4), Unmusig (3), Thornton (2), Jacobs, Goals from foul—Lewis, 2. Points awarded—Lewis, 1.

Standing of Teams.
The present standing in the league is as follows:
Amethysts.....11 2 846
Diamonds.....10 3 789
Opals.....9 4 691
Emeralds.....8 10 231
Pearls.....7 12 231
Rubies.....6 10 231

Only two more games for each team remain for the rest of the season, and the coming contests are scheduled to be hot ones between the first three teams in the league, which are very evenly matched.

Richmond Club Had No Permit for the Dogs to Run Without Muzzles.

NEW YORK, March 18.—The entire health squad of the city, numbering fifty men, was on Staten Island to-day, the hunt for dogs that were running loose without muzzles or wearing muzzles that did not prevent them from biting. The popping of revolvers was heard all over the island, and the dog population, according to report, was rapidly reduced.

The Richmond County Hunt Club had a hunt scheduled for to-day. It was postponed because through an oversight no application had been made for a permit allowing the club's dogs to run without muzzles. It was feared that some of the hunting dogs might be found by health squad men and shot, so it was deemed advisable to postpone the hunt until a permit could be obtained.

Several members of the health squad visited Totterville yesterday in search of unmuzzled dogs. They shot only three, mounted on bicycles had gone ahead of the police, and had warned dog owners to call their pets off the streets, as the health squad men were coming. The dogs were called in, and only three stray curs fell victims to the police.
